

Table of Contents

1. Introduction	1
1.1 Purpose of Information	4
1.2 Scoping/Review Comments	4
1.3 Studies and Evaluation of Alternatives	4
1.4 Future Procedures	4
2. Planning Basis and Need for the Proposed Action	5
2.1 Setting	5
2.2 Project Area Characteristics	5
2.2.1 Demographics	6
2.3 Features of Proposed Project	7
2.4 Related/Nearby Transportation Improvement Proposals	9
3. Project Purpose	12
4. Project Need	14
4.1 General Information	14
4.2 Capacity Versus Demand	16
4.3 Development Plan	24
4.4 Public Endorsements	24
4. Project Location - Early Alternatives	26
6. Potential Issues	33
